WE HELP CARE FOR YOUR LOVED ONE BY PROVIDING DEPENDABLE CAREGIVERS WHO CONSISTENTLY SHOW UP AND PROVIDE QUALITY CARE

When the same caregivers show up day after day, you can relax knowing your loved one is cared for and comfortable. We believe the best quality care comes from having caregivers who become familiar with the likes and routines of your loved one. We provide that care by carefully matching our caregivers with your needs and considering multiple factors such as personality, scheduling, cultural background, and more. Our caregivers, build relationships with those being cared for by being consistent, reliable, and genuinely caring about their health and well being.

POORLY TRAINED CAREGIVERS CAN PUT YOUR LOVED ONE AT RISK

Prior to beginning services, we will complete a comprehensive assessment with the client and family. We complete comprehensive background checks, tuberculosis screenings, and drug testing on all our employees prior to hiring. CPR and first aid training are provided on an ongoing basis. Clients may request that all caregivers be COVID vaccinated. We follow a strict COVID protocol.

FLEXIBLE CONTRACTS MEET RAPIDLY CHANGING NEEDS

- Only 24-hours notice is required to make changes to caregivers' schedules.
- Services can be terminated at any time without penalty (2-4 week notice not required).
- No down payment required to start services.

SAFETY OF YOUR LOVED ONE IS OUR TOP PRIORITY!

All of our caregivers are insured and bonded to protect you from liability claims. We keep open lines of communication so you can rest assured that your loved one is receiving the most appropriate care. If desired, reports can be provided daily. All caregivers wear a uniform, as well as a picture ID, so they can be easily identified.

WELCOME to Belpre

Belpre Area Chamber of Commerce extends a warm welcome to our proud and expanding city.

Belpre is the center of a valley rich in history, expanding in retail, cultural, and restaurant offerings, and proud of its recreational activities and outdoor lifestyle.

LOCATION

The city is located across the Ohio River from Parkersburg, West Virginia, and 13 miles south of Marietta, Ohio, the first settlement in the Northwest Territory, and follows as the second settlement. Belpre's central location positions it well to serve both of these larger communities with accessible services to visitors and residents alike.

TRANSPORTATION

Transportation is convenient for car travel, with easy access to major highways. Industry finds our community attractive due to rail and water access, and an eager workforce feeds not only our growing health care industry but a variety of small service businesses meeting the needs of the community.

EDUCATION

Access to education enhances the potential employee base, with Marietta College, Washington State Community College, and West Virginia University at Parkersburg, and the award-winning Washington County Career Center, all within 20 minutes of our city. Athens, Ohio, home of Ohio University and a short 35 minutes west, provides entertainment, mid-major inter-collegiate athletics, and educational opportunities.

Our local public school district works tirelessly to meet the needs of Pre-K through 12th grade education, with new facilities being planned as this publication is being created. A variety of private and parochial schools serve the needs of those seeking alternative educational opportunities.

Check out our website belprechamber.com for complete information about our area, Chamber of Commerce, and services.

Thank you from our staff and Board of Directors to our advertisers who made this publication possible. Please support them with your patronage.

Community Profile

Growing...but Still Home

Belpre is a city in Washington County, Ohio, with 6,728 residents as of 2020, according to the United States Census Bureau. In 1980, the City of Belpre saw a record population of 7,193 people, which declined to 6,551 people in the 2010 Census. The city experienced peak growth between 1950 and 1960, when the population more than doubled. Since then, the percent change in population has continued to decline.

Belpre has a **mixed workforce** of both white- and blue-collar jobs. Overall, Belpre is a city of sales and office workers, professionals, and service providers. Many people living in Belpre work in office and administrative support (15.26%), sales jobs (10.35%), and healthcare (7.76%).

Of important note, **Belpre is also a city of artists.** Belpre has more artists, designers, and people working in media than 90% of the communities in America. This concentration of artists helps shape Belpre's character. The hills, river, valley, and stately homes provide ready models for photographers, painters, and nature enthusiasts.

And character Belpre has!! Out of that character comes Belpre Pride, which is rampant among local high school alumni, City employees, Chamber of Commerce members, service club members, church congregations, parents, grandparents, and kids.

Belpre is a **fairly quiet city.** With traffic slowing down through major thoroughfares at the close of the business day, parents with children will be found at the city's parks, on ball fields, and riding bicycles through the safe and wide streets.

A major reason residents love living in Belpre and the area is the **beauty of the hills meeting the river.** As a small city, Belpre does not have a public transit system used by locals to get to and from work. Auto travel is the way to get around the valley, and the Belpre Area provides **convenient parking access** to stores, restaurants, and services.

A major reason residents love living in Belpre and the area is the beauty of the hills meeting the river.

In terms of college education, the citizens of Belpre rank slightly lower than the national average. 14.93% of adults 25 and older in Belpre have a bachelor's degree or advanced degree, while 21.84% of adults have a 4-year degree or higher in the average American community.

The median household income in 2020 dollars averaged \$47,917, and the per capita income in the past 12 months, according to 2020 US Census figures, is \$29,074.

Washington County and the City of Belpre have **benefited greatly from the presence of railroads.** The Belpre Industrial Parkersburg Railroad, LLC, is a non-carrier that operates 48 miles of rail network owned by CSX Transportation, Inc. The line transports commodities such as aggregates,

chemicals, coal, construction materials, fertilizers, metals, minerals, petroleum products, plastics, steel, and scrap.

Belpre is also connected to the neighboring City of Parkersburg by two bridges. The four-lane **Parkersburg-Belpre Bridge** extends between Parkersburg's downtown to the intersection of Main Street and Washington Boulevard in Belpre. The Memorial Bridge is tolled, has two lanes, and connects the north of Parkersburg with the SR-7 Belpre by-pass. The Memorial Bridge is owned and operated by (United) Parkersburg Bridge Partners.

Pleasure boating on the **Ohio River is a spring-through-fall activity**. Civitan Park sees walkers, runners, picnickers, softball and baseball players, and flower enthusiasts

mobbing the beautiful Belpre park system year-round.

The Athens-Belpre Multi-Purpose Trail will one day stretch for 34 miles across Athens and Washington Counties to Parkersburg, West Virginia. To date, however, 8.6 miles of the former B&O corridor have been acquired and developed into a multi-use path serving hikers, mountain bikers, and equestrians. Outside Belpre with easy access off US 50 are various unpaved trailheads with easy access for hikers and all-terrain bikers, particularly at Frost Road, and Collins Road.

In short, Belpre is a quiet city with bustling retail activity, numerous spots for recreation, and an opportunity to develop a relationship with other residents, nature, and a talented workforce. **Visit, play, and work here!!**

Expect World Class Care Right Here at Home.

Memorial Health System is proud to care for the Belpre community and our region, after all, we work and live here, too! Caring for our region goes beyond the doctor's office and an 8-5 day. That's why we offer our **24 Hour Nurse Line**, completely free for everyone!

Give us a call at **(844) 474-6522** to speak with a registered nurse who can talk through concerns, review symptoms, and can point you to one of our many convenient locations throughout the region for the next step of health care.

Business and Industry

Growth happens!

Belpre's business corridor has grown each decade since the 1960's, spearheaded by the arrival of **Kraton Company**. The plant has been an important part of the Mid-Ohio Valley's industrial community since 1961, originally owned and operated by Shell Chemical Company.

Memorial Health System's expansion into the Belpre Area has also stretched the Belpre business corridor west. Our small business/retail community expanded through development at Washington Square, adding new retail and service sites. All along Washington Blvd. plus the Main St. section combining retail, services and residential parcels connecting the Parkersburg, WV community across the Ohio River to Belpre area.

WVU Medicine Camden Clark Medical Center serves the Mid-Ohio Valley and surrounding region through a 302-bed, not-for-profit, acute care facility. The center provides a broad range of services, offering the latest in medical technology and highly trained staff. As the community's hospital for more than a century, Camden Clark maintains a leadership role as the

region's primary source for advanced health care and wellness programs.

In recent years, health care has infused the business community with a variety of specialties. Residents and visitors can get most of their needs met through area medical centers,

clinics, private providers and care centers. Belpre boasts such facilities at Physicians Outpatient Surgery Center, Ohio Valley Ambulatory Surgery Center, Oakview Dermatology, First Settlement Physical Therapy, and Miller Prosthetics and Orthotics to provide care locally.

Nursing care and rehabilitation services are available from **Belpre Landing and Rockland Ridge Nursing and Rehabilitation Center**, both modern facilities providing the Mid-Ohio Valley with skilled nursing, some assisted living, and extensive rehabilitation services.

Belpre and the surrounding area in Ohio offer residents a variety of drug stores, gas stations, a major grocery chain, locally and regionally-owned restaurants, greenhouses, an aquarium store, quilt stores, hair salons, a comic book and collectible store, a natural remedies maker and retailer, a winery, motor home sales, a bakery, a motor and outdoor sports complex, car washes, and more.

A fixture in the Belpre retail scene is **Belpre Furniture and Sleep Center**, operating since 1950, offering almost a city block of showroom. Furniture for bedroom, living room, dining room entertainment areas, home offices plus home accessories are available to shoppers in one convenient location.

Need a car or home repair?

are the backbone of Belpre's commerce. Peoples Bank, The Citizens Bank Company, First Bank of Ohio, 1st Mutual Bank, Riverview Credit Union, Chase Bank, and WesBanco Bank all provide a

full range of financial services and have several locations in the Belpre area.

Realtors work hard for their clients in the Belpre area to find just the right property for residential and commercial customers. Give McCarthy Real Estate, Exit Riverbend Realty or other member realtors a chance to find just the right home or business site.

Belpre Area Chamber of Commerce also welcomes and **supports businesses north of our city** in Marietta, Ohio, as well as Parkersburg and Wood County, WV. All three cities provide residents, workers, and visitors all the services and suppliers needed plus a wide variety of job opportunities to maintain an interesting and vital place to live and visit.

Education

Belpre City School District was established in 1872. Since then, thousands of students have passed through the classrooms of Belpre schools, with the high school recently celebrating 150 years since its formation. Represented by the Golden Eagle mascot, students, athletes, and staff have proudly worn the orange and black, and have served their community and country in many capacities.

District educators are hard at work implementing the Portrait of a Graduate in the district, Belpre City Schools' answer to what a 21st century learner needs to gain in school to be successful. Stakeholders and community members have been actively engaged for input, along with their vision of what a 21st century school facility would mean for our students, and plans are in place to replace buildings that have served us well.

Several private pre-school learning centers are located locally, **providing quality experiences in socialization and learning skills** in quality, well-staffed environments. Your Kids' First Learning Center and St. Mark's Preschool are two examples of privately owned and locally operated facilities.

Washington County Career Center, Washington State Community College, Marietta College, West Virginia University–Parkersburg, and Ohio University—all within a radius of 35 miles—offer many opportunities for our students and graduates to explore, and to expand their interests and potential learning to improve their quality of life. **Graduates return to Belpre** to teach, to practice law, to run businesses, and to contribute to future generations.

Maintaining a safe and academically sound school district is **top priority for the City of Belpre**.

The community's children deserve a strong educational foundation, and our community strongly supports that philosophy.

PARKS *and* RECREATION

Belpre residents like to escape to the outdoors, and its park system plus access to trails and the Ohio River are only a short walk or drive. Belpre's park system is considered to be the hub of all outdoor activity and community events in the city.

Civitan Park on Blennerhassett Avenue, overlooking the Ohio River, is the primary gathering spot for all things outdoor for residents and visitors. Picnic shelters, ballfields, a tennis court and a pickle ball court, fishing pond, boat ramp and launch, a 0.8 mile paved walking track lining grassy areas and flower displays comprise this beautiful area.

Walkers and runners use the track daily, with local benefactors such as Belpre Woman's Club, Kraton Corp., and Belpre Area Community Development Foundation providing maintenance and upgrade funding.

Howe's Grove Park on Washington Blvd. greets travelers up Belpre's main corridor, with shaded picnic areas nestled among a grove of mature trees. Nearby is the Veterans Memorial maintained by Belpre Veterans Association, a volunteer group whose mission is to promote love of country, the service of veterans, and provide resources to meet veterans' needs.

Depot Park on Depot St. salutes the area's railroad history with well-maintained out-of-use rail cars near picnic shelters and play structures plus a short paved walking track.

Youth sports keep the parks alive for softball, baseball, and teeball, with parents and families shouting encouragement and young hitters and catchers growing in skill. An annual cross-country meet, the Ohio Valley Remote Controlled Car Club, and Belpre Municipal Pool expand park usage for residents of all ages and interests.

The Ohio River provides an **outstanding venue for pleasure and fishing boats** plus kayaks amid commercial barge traffic often cruising past Blennerhassett Island within view of the Belpre Boat Ramp. Fishing tournaments, sponsored locally and by national organizations, are held on summer and fall weekends.

Located on a small island in the Ohio River, **Blennerhassett Island Historical State Park** features a Palladian mansion on the island and museum of regional history located in Parkersburg. This unique state park is visited by 40,000 people each year and is accessed by a sternwheeler riverboat from Point Park on 2nd Street in Parkersburg, WV. Once on the island, visitors may enjoy tours of the grounds and mansion and horse-drawn carriage rides. Open May through the last weekend of October, this beautiful and unique historical park offers a fall candlelight event attracting visitors from all over the country.

Belpre Area Multi-Use Trail, endeavoring to connect with regional multi-purpose trails, currently promotes a share the road biking system through the city. Kiosks located at Howe's Grove Park, 1614 Washington Blvd; Belpre City Schools, 2000 Rockland Ave., and near 201 Washington Blvd on Main St. provide a map for bikers. Future trail development includes use of deserted rail bed and rights-of-way west of the city adjacent to US Rt. 50 at Frost Road, Collins Road and other intersections. The future multi-use muscle powered trail will be constructed along

the former B&O railroad corridor in Athens and Washington counties. HISTORY

of Belpre

BELLE PRAIRIE

Born in winter 1788

People that settled “Belle Prairie”, French for “beautiful meadow”, were New England farmers who had served their country during the Revolutionary War. Many had served as officers, and most were well educated. Later called “Belpre”, part of the Ohio Company land purchase was surveyed and platted in the winter of 1788-89, and was the second organized American settlement in the Northwest Territory (the land north and west of the Ohio River, 1787 Ordinance).

April 11, 1789, is the accepted date of permanent occupation of the area, as cabins were first occupied that spring. Those that settled Belpre chose the site to make their homes because it was adaptive to agriculture.

Education was very important to those first settlers. Bathsheba Rouse is credited as being the first “woman school teacher” in the Northwest Territory, State of Ohio. She was employed by the community to teach its children, and later was hired by the Ohio Company to teach in Farmers’ Castle Fort during the Indian uprisings (1791-1795).

Colonel Israel Putnam, son of General Israel Putnam, brought his share of books from the family library in Promfret, Connecticut, on his second trip to the Ohio country in 1795. These books became the nucleus of the Putnam Family/Farmers Library, the first circulating library in the Northwest Territory, State of Ohio.

Captain Jonathan Stone and Griffin Greene developed the first “floating mill,” utilizing the Ohio River’s current to turn the millwheel, which was mounted between two canoe type boats. The Captain’s home still stands on Blennerhassett Avenue. Many first settlers’ names are preserved on special bricks in the patio of **Belpre Historical Society museum**, and generations of those families remain in this area.

Many settlers flowed over the rivers into Ohio’s first frontier, bringing their dreams for a better life. Harman and Margaret Blennerhassett, a wealthy aristocratic couple from Ireland, came to the area in 1798 to purchase an island and build a mansion. The site of Blennerhassett Island became nationally famous when Aaron Burr visited in 1805.

Controversy clouded Burr’s mysterious expedition to the Southwest. The Blennerhassett mansion has been rebuilt and is a major tourist attraction. The street that runs parallel to the river facing the Island is named after the Blennerhassetts,

and the view of the Island from Belpre is an important part of any visit to the area. The **next 200 years brought increasing population** and a timeline of historical events that reflected the development of the United States, Ohio, and Belpre. The village of Belpre grew like other small communities, adding roads, larger homes, bridges, family businesses, schools and churches.

Plantings and harvests, famines and floods, an oil boom, steamboats, then railroad development helped shape the character of the people. Through the trying times of the Civil War, **Belpre became part of the Underground Railroad**, a network of routes, places, and people that helped enslaved people in the American South escape to the North.

Evolving from an agrarian society with truck farms into a manufacturing and chemical industrial hub, the principles of those first settlers remained. **In 1961, the Shell Oil Company opened a plastics plant at Belpre** along U.S. highway 50, building a complex of buildings on about 15 acres. Kraton acquired the Belpre plant from Shell Chemical in 1997, and has seen many renovations and expansions since then. Kraton is a producer of specialty polymers, whose products range from medical and personal care to automotive and construction. The plant became known for making plastics, and in particular, a thermoplastic rubber used in automotive parts, wire, footwear, adhesives, and cable coverings.

in April 2013. Located at 807 Farson St., the facility offers a variety of medical specialties, therapies, treatments, a free-standing emergency room and The Changed Plate Restaurant offers a variety of healthy food options, plus a variety of cooking classes.

Belpre Farmers Castle Museum and Education Center located at 509 Ridge Street showcases **early pioneer history and Native American artifacts**. Visitors view an 1840 horse drawn carriage, a blacksmith shop, a Victorian Room with furniture from Blennerhassett Island and more, including displays and archives chronicling Belpre’s part in the Underground Railroad network.

Tree-lined streets throughout the city help frame charming older homes that **testify to the history of Belpre and a community anyone would be proud to call home**. Loyalty runs deep, and many young residents leave to pursue their educations and their dreams, only to return home when it is time to raise their own children.

A FESTIVAL AND LIVE MUSIC IN THE SUMMER! A STIR-OFF IN THE FALL! HOLIDAY LIGHTS DURING THE CHRISTMAS SEASON. BELPRE'S GOT IT ALL!! IT'S TRADITION!!

BELPRE HOMECOMING FESTIVAL

Belpre Homecoming Festival celebrates its 90th year in 2022. The festival, held traditionally the first full weekend of August, is packed with fun for visitors and local residents alike, with music and entertainment for all ages.

Continuing the tradition of **family-friendly fun and entertainment**, Belpre Homecoming Committee proudly presents a wide variety of events, displays, food, amusements, live music, and interactive experiences for children and families.

Belpre Homecoming Festival celebrates its 90th year in 2022

The weekend is traditionally capped off with a spectacular fireworks display, lighting up the sky over Civitan Park. The pyrotechnics are especially visible from the park and the river and light the sky over

the entire city. The entire three-day event **highlights the union of community** and business working to provide entertainment on the river with a hometown feel.

Free live musical entertainment resounds on the main stage each evening, with tribute bands, rising stars, and local entertainers performing under the stars. Belpre Homecoming Committee and Belpre Lions Club sponsor Belpre Homecoming Parade on Saturday morning beginning at 10am.

Belpre Mile Road Race is traditionally featured Saturday morning. Immediately following the race, floats, bands and walkers travel Washington Blvd behind a line of our finest fire trucks and emergency vehicles, all showing off their best to the community.

Music from The Pride of Belpre, **Belpre High School Marching Band**, can be heard in the air as kids, clowns, and pageant winners smile and wave to friends and neighbors. Prior to the parade, fishermen of all ages participate in a bass tournament and kids fishing derby at the boat ramp and Civitan Park Pond.

Belpre Homecoming Pageant program seeks to find children and youth to represent Belpre at **civic functions and local events**, and the pageants are always a highlight of Belpre Homecoming. The public is always welcome to view the pageants at the park gazebo. Bring a lawn chair. A motorcycle show is featured on the grounds of Belpre's Civitan Park, and a car "Cruise-in" rolls into Civitan Park on Friday evening of the weekend.

Never miss a chance to **see puppies and adult pooches** "show their stuff" with theme costumes, perfect grooming, and just a desire to show off with their owners as Boxers Bed and Biscuits presents a Puppy Contest, an annual event of Belpre Homecoming. Amusement rides are open throughout the entire event. More information about these and other events at Belpre Homecoming can be found at **Belpre Homecoming Festival on Facebook**.

APPLE BUTTER STIR-OFF

Belpre Lions Club sponsors the traditional Apple butter Stir-off. Visitors come from local areas and miles around to taste and buy homemade apple butter stirred in iron kettles over wood fires.

Held in **October each year**, club members organize a weekend of games, displays, live music, and gathering of residents and visitors. The cool fall weather is perfect for a jar of homemade apple butter.

BELPRE HOLIDAY LIGHTS

Watch for Belpre Holiday Lights Committee to switch on its bright lights for the holidays during Thanksgiving Weekend, continuing through the Christmas holiday. Over 40 structures highlighting all phases of holiday celebration are centered in **Civitan Park and at prime areas in the community**. Belpre Holiday Lights Parade kicks off holiday shopping in the area on Friday after Thanksgiving, with lighted entries following the Washington Blvd. parade route after dark.

SUMMER MUSIC SERIES

A Summer Music Series in Civitan Park is a traditional outdoor series of live music presentations, with

performers from all genres. The center of the park, the Bandstand gazebo, is transformed into a stage and **everyone gathers to hear favorite tunes** with the Ohio River over their shoulders. The weekly shows are presented by Belpre Woman's Club, who also brings the Christmas Tree Lighting to the gazebo area every holiday season.

Other festivals and events pop up throughout the year, such as an ice cream social and car show sponsored by Belpre High School Alumni, a fall "Gathering" sponsored by local faith community, and a variety of car shows, shopping events, church dinners, and civic fund raisers.

Restaurants and Retail

Belpre's business corridor has sometimes been nicknamed, "the miracle mile"

Businesses line Belpre's Main St. and Washington Blvd, representing eating and drinking delights that can be grabbed on the way home from work to quaint, comfortable dining in a neighborhood atmosphere. Leading the way is Unicorn Wine Guild with a variety of wines by the glass or bottle, made locally by owners Joel and Barb Whitaker. The couple also offers teas, coffees, lunch and dinner, and a gift shop fit for the wine enthusiast or birthday gift.

A selection of pizza shops provide pies and other dishes for every taste. Napolis's Pizza, Pasta and Subs; Smitty's Pizza; Giovanni's Pizza; and Antonio's Pizza are locally-owned favorites with complete menus for lunch and dinner. Others are the often-found chains located up and down the business corridor.

Locals also enjoy a break from Italian fare at Belair's Bistro, owned by prominent local chef Denise Belair, with its homemade soups, salads, and sandwiches plus freshly-made specialties and a Friday tortellini bar. Don't miss family-owned Redwood

Restaurant, a mainstay for years in the local food selection, with home-cooked breakfast, lunches, and dinners. Try the baked steak!! Then Stop in at Frostee Shoppe for a hot dog or an ice cream cone.

Yearning for some healthy choices in this week's menu?

Check out the Changed Plate Restaurant on the

Belpre campus of Memorial Health System. Locals love their flatbread pizza and sandwiches prepared with all healthy ingredients. New food locations are coming soon, with a planned Mexican restaurant and a fun wings restaurant on the horizon for Washington Square, a newly-renovated shopping and dining hub in the 1800 block of Washington Blvd.

Washington Square is a focal point now of retail as well as restaurant business. Belpre Aquarium, Holiday Hair, H and R Block, and Family Tree Dental Clinic are highlights in the center along with Unicorn Wine Guild.

"Washington Square is a focal point now of retail"

Retail is thriving on the business corridor, from Side-Stitchin' Quilt Shoppe and Neff's Country Loft, both meccas for quilters and shoppers. Bob's Market and Greenhouse is "growing" with seasonal items for your gardens and landscaping, plus gifts, Amish goods, produce, and home décor.

Belpre Furniture and Sleep Center, **servicing the area since 1950**, provides a full block of showroom space featuring a selection of furniture, mattresses and home accessories. Anchoring Belpre's chain retail are Krogers, Rite Aid, CVS, and Fruth Pharmacy for daily needs of residents and visitors. Stop in for a newspaper or magazine at People's News.

Giving and Service

The Belpre area bursts with giving hearts and volunteer actions!!

Service organizations unite residents, businesses, and philanthropists in one goal ...to improve the quality of life for all residents in the area and the Mid-Ohio Valley. Generous community members donate to the community beautification effort, Beautify Belpre, a volunteer organization that focuses on beautification of our parks and city entrances with flowers, landscaping, clean-up projects, and banner displays, all to enhance the appearance of the city.

Beautify Belpre, a volunteer organization that focuses on beautification of our parks

SERVICE CLUBS

Service clubs such as Belpre Woman's Club, Belpre Area Veterans, Belpre Civitan Club, Belpre Rotary Club, Belpre Lions Club, and American Legion Auxiliary spend time fundraising and improving our parks, providing scholarships to students, funding food pantries, building and

maintaining Civitan Park walking track and flower beds, meeting the needs of those serving our country in the military, and providing seed money for youth projects.

BELPRE AREA COMMUNITY DEVELOPMENT FOUNDATION

Belpre Area Community Development Foundation

stretches every philanthropic dollar and spreads it among area youth groups, worthy students, school programming, food pantries, handicapped individuals, and economic development/civic improvement projects. Legacy gifts from life-long community residents

provided the initial financial cornerstone for the Foundation.

BELPRE HOLIDAY LIGHTS

Belpre Holiday Lights provides dozens of lighted displays throughout the city, particularly in Belpre's Howe's Grove Park and Civitan Park, attracting hundreds of visitors throughout the holiday season, plus bringing Santa and Mrs. Claus to the Holiday Lights Parade held the Saturday after Thanksgiving each year.

CHURCHES

Churches are active and important in the lives of many of our residents and visitors. Congregation leaders volunteer at Belpre Area Ministries, a combined effort from the local faith community to meet food, clothing, and emergency needs of those applying for services. Belpre's churches also provide events such as egg hunts, breakfasts with Santa, book sales, family activities, and resources to the community. Every area of the city has been touched by one of these groups and their many volunteers. Check out our parks and streets, or ask a student, senior citizen, walker, or young mother. Everyone's life has been made better through the work of these groups.
